

DC Mortor

A 3D CAD model of a mechanical assembly. A grey rectangular block, labeled 'DC Mortor', is mounted on a light blue base. A black belt is looped around a large pulley on the left and a smaller pulley on the right. The belt is also connected to a third pulley at the bottom right. The entire assembly is mounted on a light blue base plate. A red arrow points from the 'DC Mortor' label to the grey block. Another red arrow points from the 'Belt' label to the black belt. A small 3D coordinate system (X, Y, Z) is visible in the bottom left corner.

Belt
